SMP with Texture

Textured SMP paint system with matte finish

Upgrade to Texture for a new *depth of color* and added *durability.*

The granular finish of SMP with Texture combines a matte appearance with shimmering tones to provide a depth of color never before seen on traditional metal panels. Choose Texture for a look similar to traditional shingles with the benefits of a metal roof.

For superior protection, make sure you choose Central Guard®, our specific combination of everything that goes into making the highest-quality metal panels. It is a guarantee that you have the best protection and a lifetime paint warranty. With Central Guard protection and SMP with Texture, you get a stunning metal roof to enjoy for a lifetime.

- Lifetime limited paint warranty.
- Mimics the texture of shingles.
- Reduces glossiness and glare often associated with metal roofing.
- More scratch resistant.
- More slip resistant during installation.

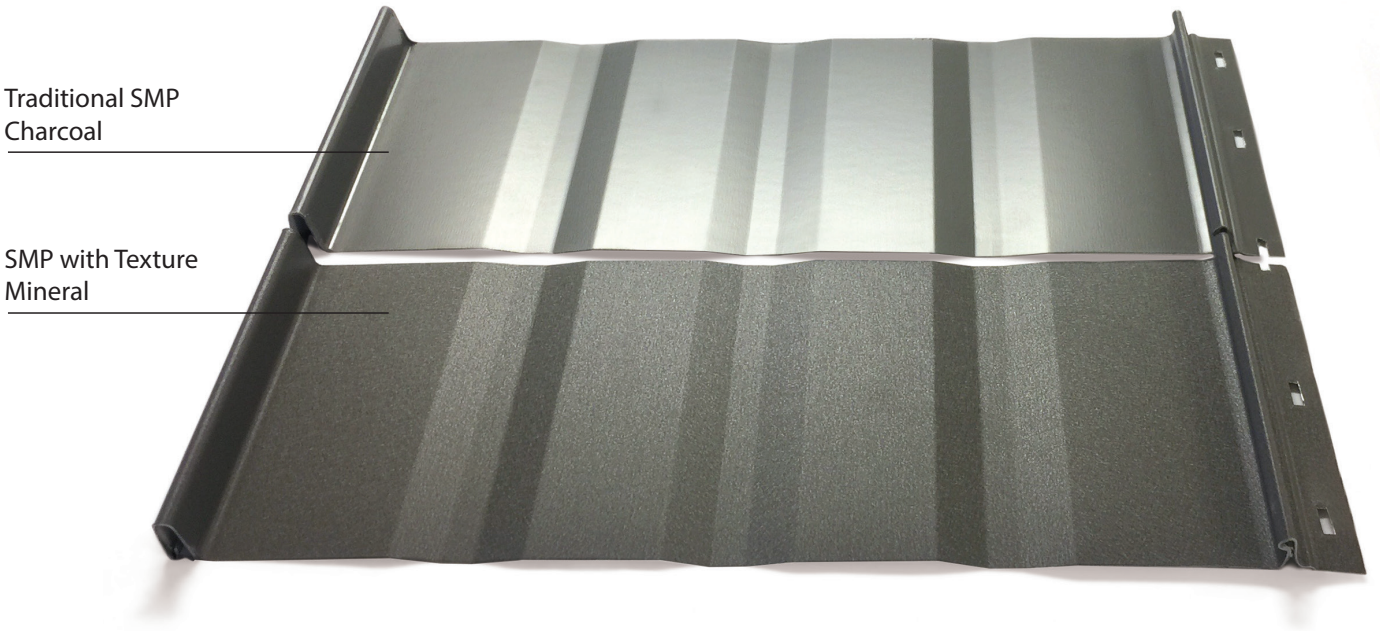
Unique textured appearance.



Notice how the light reflects off our traditional smooth finish creating a glare, but the Texture finish breaks up the light to give a deeper, richer color.

Durability proven through testing.

TEST PERFORMED	RESULTS	BENEFITS
ASTM D 3363 Measures the paint's resistance to scratching.	F to 2H	Excellent ***protection against scratches***.
ASTM D 523 Measures the gloss of a paint at 60º.	<5	The ***lowest of 7 gloss levels***, a traditional matte finish.
ASTM D 4145 Measure the paint's resistance to cracking when bent.	2T to 4T	Excellent ***protection against crazing*** during the manufacturing process.
ASTM D 3359 Measure the paint's adhesion quality.	No loss of adhesion	Superior ***protection against fading***.
ASTM D 2794 Measures the paint's adhesion quality when impacted from underside.	3x metal thickness inch-pounds, no loss of adhesion.	Provides ***long-lasting durability*** against nature.
