LIMITED WARRANTY AND LIMITATION OF LIABILITY FOR CENTRAL STATES MANUFACTURING (CSM) STEEL ROOFING AND SIDING PANELS.

THIS WARRANTY COVERS THRIFTY SMP MATERIAL ONLY.
ULTRA, PRIME, PRIME FLUROPON, AND STANDARD MATERIAL ARE COVERED BY SEPARATE WARRANTIES.

1. This Warranty applies if any of the following Warranty Conditions occurs: Within 20 years from the date of application of the paint, Siliconized Polyester exhibits cracking, flaking or peeling (loss of adhesion) to an extent that is apparent on ordinary outdoor visual observations. Minute fracturing, which may occur in proper fabrication of the building parts, is not a covered Warranty Condition. Failure due to substrate corrosion is not a covered Warranty Condition.
2. In case of a complaint, you will provide access to us and assist us as necessary in determining the exact cause of the failure; ASTM and NCCA testing procedures will be used.
3. If our Thrifty steel fails to comply with our limited warranty, we will pay for materials reasonably necessary to repaint, repair or replace, at our option, the building part showing the Warranty Condition. In order for the warranty to be in effect, however, you must notify us in writing of the failure within thirty days of the discovery of such problem and provide documentation we may require. If we repaint, we will use normal painting practices using the same paint, or other suitable alternatives. This warranty also applies to the part we repainted, repaired, or replaced, but only for the unexpired portion of the warranty period applicable to the original part.
4. Our LIMITED WARRANTY DOES NOT APPLY to circumstances that we do not control:
    a. Acts of God, falling objects, explosions, fire, external forces, or other such similar or dissimilar circumstances beyond our control;
    b. Harmful fumes or foreign substances in the atmosphere, or salt spray;
    c. Failure to apply Siliconized Polyester coil coatings in accordance with our specifications and instructions as outlined on the paint manufacturers then-current published technical data sheets;
    d. Improper treatment or defects in the substrate metal;
    e. Significant differences in insulation below coated metal panel;
    f. Siliconized Polyester which has been damaged due to moisture entrapment in bundles during transit or storage or which has been stored or installed in such a way that allows standing water on the coating;
    g. Failures or damage resulting from corrosion of cut/bare edges or failure of the metal substrate;
    h. Development of any other condition between the coating and the substrate which causes the coating to degrade or delaminate, including any failure or deficiency in the cleaning process or pretreatment;
    i. Siliconized Polyester that has been stored/installed in such a way that allows contact with animals or animal waste.
    j. Mishandling of Siliconized Polyester or of any substrate coated with it, including abuse, alteration, modification, improper use, or storage;
    k. Where materials/items such as snow guards and solar panels are attached/adhered to the product.
5. No Warranty is provided for Siliconized Polyester on any substrate that is subjected to sea spray or installed on property located 1,500 or fewer feet from a salt-water environment.
6. This warranty is not transferable and non-assignable after one year from date of install. This warranty applies only to building parts installed on buildings within the Continental United States, Alaska and Canada. This Warranty will automatically expire upon any change or transfer of ownership of the property on which the metal coated with Siliconized Polyester is originally installed.
7. The coil coating has a limited shelf life. This warranty applies only to material applied by you within six (6) months after it is shipped to Central States, as long as the steel has been stored inside in a dry space.
8. For our warranty to apply, you must maintain certain records. You need to make them available to us for inspection and copying. These may include:
    a. Central States Work Order Verifications
    b. Central States Invoices
    c. Any other records necessary to identify our Thrifty product that gives proof of purchase date, quantity
9. We need to make clear that this is our only warranty concerning our Thrifty steel. So, please read and understand the following:
